## Seed to Soar Award

The purpose of the **Seed to Soar Award** is to plant financial seeds to help women soar toward their God-given purpose. This program is designed to empower and propel women who have had obstacles, disappointments, and roadblocks in accomplishing their dreams to positively impact the community.

**Sisters In The Journey** is committed to this award and view it as an opportunity to live out our ministry values of sharing, connecting and mentoring on the journey. We stand on the truth of Galatians 6:10, that we should encourage each other as we have occasion and opportunity to do so.

## Sisters in the Journey

Proverbs 3:17 "Her ways are ways of pleasantness, and her paths are peace"

... Desiring to never see a sister journey alone.

## Sisters in the Journey (SIJ)

### Statement of Faith

We believe in the Bible, the infallible, inerrant word of God which was inspired by the Holy Spirit. We believe there is only one God who showed His love by sending His son, Jesus Christ, in the flesh who died on the cross for the sin of men and rose from the dead and is seated at the right hand of God.

### Mission

Sisters in the Journey (SIJ) is a ministry committed to providing women of all ages, race and levels of spiritual maturity with opportunities and support to realize their goals and aspirations.

### Vision

To see women connecting spiritually with a desire to never see a sister journey alone.

### Inspiration

This ministry was inspired by women that love the Lord, who desire to please Him, but can't seem to move forward with their goals and aspirations. SIJ provides an atmosphere that inspires women to grow by connecting with those who have like minds and spirits.

### Programs/Activities

#### Prayer Connection

Women who are committed to strengthening their prayer life are connected to other women through intercession and partnering in prayer with another sister.

#### Goal Setting

Connecting women who are committed and accountable to achieving goals in the areas of finances, physical health, relationships, and spiritually.

#### Bible Studies

"Truth Bible Study" is an annual journey of studying and applying God's word and encouraging women to seek to know the truth.

#### Annual Retreat

This is a time of reflection, recharging and rededication to spiritual growth and maturity. Women are challenged to be open, transparent and exposed in the presence of the Lord.

#### Mentoring

Women are mentored spiritually and encouraged to do the same for women in their lives.

### Serving the Needs of Women

This ministry helps women see themselves through Bible Studies, setting and achieving goals, and prayer.

Women sometimes isolate themselves or attempt to live life to the fullest without dealing with underlying issues.

At the very core of every woman is a desire to belong. However, some actions and attitudes prohibit forming healthy relationships and behavior. Serving other women requires one to maintain healthy relationships and mature in the Lord.

Taking the journey with SIJ through Bible Studies and annual retreat will reveal who you are, your relationship with God and your love and compassion for other women. Take the vow to never see a sister journey alone.
